BLOOD AND GOLD

AL DIETZ was in high spirits and humming a tune as he entered the Empire Trading Store situated on the outskirts of Raleigh City. The old bearded miner walked right up to the counter and from his pocket took a leather bag. He loosened the drawstring and took out some small gold nuggets.

"There you are, Gus," he said, "ought to be enough to pay you what I owe. And I'll be a-comin' this way Thursday to get me a load of supplies. Mighty obliged to you for trustin' me. Got to get on the way back to my claim and work hard."

The tall thin man who owned the Empire Trading Store fingered the gold nuggets. Then he dropped them on a pair of scales he had at the side of the counter. He acted calmly though he knew this was the chance to make his fortune.

"Everyone knows Gus Krohn is an honest man. You got more gold there than your bill runs to on the account book. Yes, sir, never say I cheated a man. And you know your credit is good with me any day. Be waiting to see you on Thursday. So you struck it rich. Well, you deserve it, Al."

The miner paid no attention to the last words spoken to him. He placed two small gold nuggets that were returned to him in the leather bag. Then he left the store and continued to hum his song. As soon as he had departed Gus ran to the back of his store and into his private office. A heavy-set, ugly man was seated at the desk. Joe Beatty would never win a prize in any beauty show but he could handle his six shooter with deadly accuracy.

"Joe, it's true about Al striking it rich on his claim. He just settled with me for his account. We could put the old man out of the way and jump his claim. It ought to be worth a fortune. We'll be rich and this is our chance."

There was a look of disgust on Joe Beatty's face as he listened to his would-be partner in crime. But Gus had staked him for the last two months so he took his time in explaining his viewpoint.

"If we kill the old man then Sheriff Thomas will figure we did the job. There's a time to use a gun and a time to use a bit of brains. We gotta keep just inside the law. And I got a scheme figured out that will give us the mine and we can laugh at the sheriff."

Gus wasn't anyone's fool and he looked directly at his partner as though he wanted to call him a liar. It didn't seem possible such a scheme could exist. But you never argue with a man who can handle a six gun. So he just demanded some more information on the subject.

"It's something I tried out in Los Anitas on the other side of the border a couple of years ago," began Joe. "And it can be done right here. The mining committee in this here town had decided that a "stake" is good only for ten days. The notice must be renewed every ten days and the mine must be worked during that period of time. When Al goes over to his shack he is going to have an accident. He will be picked up by a native and given good care. But he will be away from his claim for two weeks. And we walk in the first day and stay there. Simple, isn't it?"

Al Dietz always took the short cut across the mountain to his shack. As he put his right foot down on a board he felt himself slipping into a hole. The back of his foot caught as he fell and his last memory was of blinding pain. . . . When he awoke he was in bed, an old Indian was standing over him, fixing his foot.

"Guess you saved me. Many thanks, Injun. Now just get me back to town and I'll give you gold."

The redskin looked at him and then spoke in Sioux. What he said was absolutely meaningless to Al. The miner tried to rise from the bed but found he was crippled. A rough splint had been placed on his leg. It would heal provided he didn't move around. The miner was hungry and opened his mouth and pointed to it with his index finger. The redskin went to a corner of the room and returned with some food. Al ate it and then sank back into bed. At least he was alive and that was more important than worrying about his mine.

Skinny Girls Don't Have OOMPH!

It takes those extra lbs. of solid flesh to "bring out" your natural curves

If you're otherwise healthy but skinny, scrawny, rundown and lbs. underweight, try correcting this common mistake in eating.

THERE are three essential substances that many thin, scrawny and undernourished girls may fail to get in sufficient quantity from the food they eat. These substances are Vitamin B_1, calcium phosphate and iron. If, like thousands of others, you are underweight without organic cause . . . never seem to gain a pound . . . are so thin that you look gangling and gawky from insufficient amounts of these precious elements, don't get discouraged.

You may find that by correcting this simple mistake in eating you can easily add firm solid flesh . . . extra alluring pounds that help bring out those natural eye-catching curves. A simple and easy way is to try the amazing new product called Numal that supplies, in significant amounts, the Vitamin B_1, calcium phosphate and iron needed in the daily diet. Plus a food that in itself is a great help in adding extra pounds.

Take 1 heaping teaspoonful of Numal 3 times a day. It is pleasant, assimilable and easy to take. You will get the equivalent in Vitamin B_1 content of 34 cakes of average moist baker's yeast . . . the iron equivalent of 15 pounds of tomatoes or 1⅓ pounds of spinach or 9 pounds of boiled beets...and the calcium equivalent of ⅘ths pint of fresh cow's milk, the phosphorus content of 1 glass.

Remember, if you don't get a sufficient quantity of Vitamin B_1 in your daily diet, you may suffer loss of appetite. And without sufficient iron, the element that helps build rich red blood, you may be rundown, pale, weak and listless. You need calcium phosphate for sound teeth and sturdy bones.

I WOULDN'T BE SEEN WITH THAT SCARECROW
SKINNY MEN ARE NOT ATTRACTIVE EITHER

A man with a deeply tanned face came up to the claim that was being worked by Joe Beatty. Sheriff Thomas was a bit puzzled at the sight of Joe working with pick and shovel.

"See anything of Al Dietz?" he asked. "I went to his shack and he wasn't there. Got a registered package for him at my office and got to deliver to him in person. Did he ask you to work the mine for him while he was away?"

That was the last question in the world that Joe wanted to answer. Because if he said "Yes" then he couldn't jump the mine as an employee of Al. If he said "No" then he had no right there until ten days had elapsed. But he did get a lucky break. The sheriff walked away without waiting for a reply to his question.

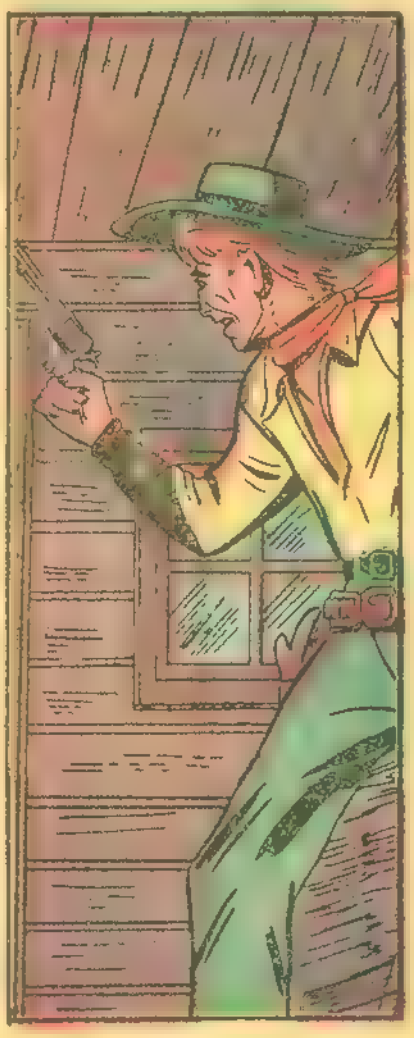
Joe stopped working and rushed to his horse which he mounted. Then he headed for the Empire Trading Store. He wanted to talk things over with Gus. If Sheriff Thomas returned the next day there might be trouble. But his partner wasn't worried when he was informed as to the turn of events. However, the appearance of the redskin upset both of them. And when Gus had listened to the Indian's story he was mad.

"The whole scheme just blew up in our faces," he announced in an angry tone. "The Sheriff did a bit of old-fashioned scouting and picked up the trail to this Injun's bunk. He found Al and brought him back to town. Now what do we do?"

Joe had the answer at the tip of his fingers and it seemed to make sense since their crooked plans had gone wrong.

"You got money. Let me make an offer to Al of ten thousand dollars for his claim. I'm sure he doesn't realize how good a thing he has. I'll go to his cabin and talk business with him. Then you and I will be partners. You run this business and let me take care of the mine."

Old Annie Branstead was a figure in many a mining town in the old west. She did laundry and nursing. And just now, on the orders of Sheriff Thomas,



she was taking care of Al. And the officer who took care of the law in Raleigh City was seated on a stool when Joe entered the cabin.

"I got ten thousand in National Bank Notes with me and an agreement all drawn up. Sell me your claim right now and the cash is yours."

Sheriff Thomas looked at the old miner who nodded his head in the affirmative. He tried to move around in bed but that blasted leg was in the way.

"Just give me pen and ink," he demanded, "and I'll sign over my claim right now. Then I want to go back East to my sister and spend the rest of my days with her."

Joe walked back over the short cut with the signed agreement in his pocket. He saw Gus waiting for him at the side of a big rock.

"Everything work out fine?" asked his partner. "Did the old fool sign just as you thought he would. So now we are partners. But remember it was all my cash. No funny business from you."

There were two shots from Joe's gun and Gus slumped to the ground a dead man. Maybe he never knew what hit him. Joe stood over the body with a grin on his face.

"You didn't want to be my partner so you got your wish. Nobody knows you gave me the cash."

"Nobody?" echoed the familiar voice of Sheriff Thomas. "You just drop that gun to the ground or I'll fill you full of lead. I trailed you back here. Too bad I wasn't closer to stop you from murder. But you'll hang for this."

The trial was quick and fair. In two hours they were going to hang Joe. And the Sheriff had something to tell him in the cell.

"Five years ago Al staked a friend who went prospecting in Old Mexico. He hit gold two months ago. Sent a leather bag of nuggets to him last month. And another one which I was to deliver when I went to look for Al. Al's claim is worthless. With your crooked mind what did you do? You did yourself! Think about that as they tighten the rope around your neck."

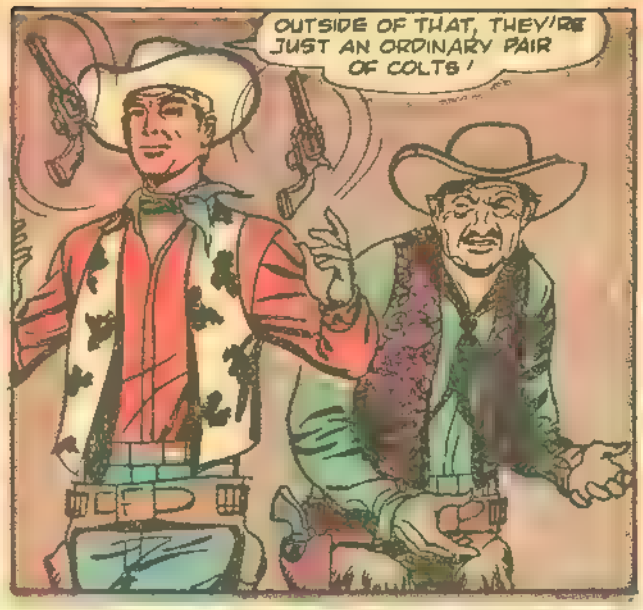
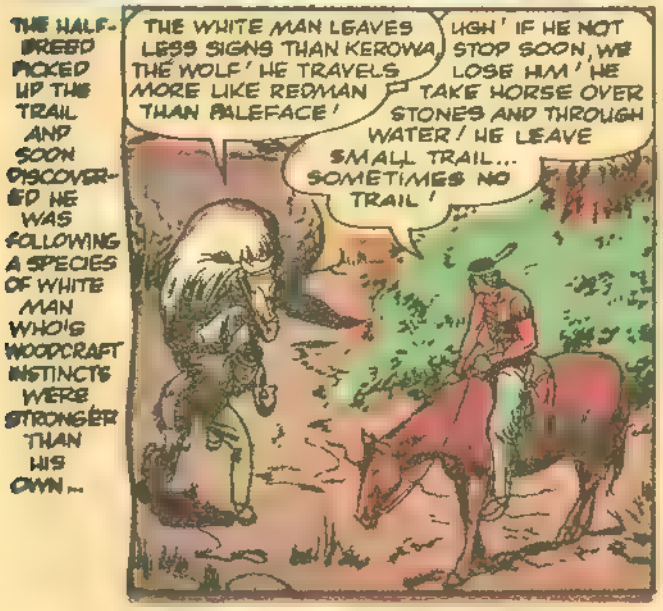
THAT WAS FANCY SHOOTIN' IN THERE, AMIGO! MIND IF I TAKE A LOOK AT YORE GUNS?
THEY'D FEEL MIGHTY STRANGE IN YORE HANDS, MISTER, SEEIN' AS HOW THEY BELONG TO ME!
THEY BALANCE ON A PIN AN' HANDLE LIKE FEATHERS! THEY GOT SILVER GRIPS AN' WERE MADE UP JUST FOR ME!



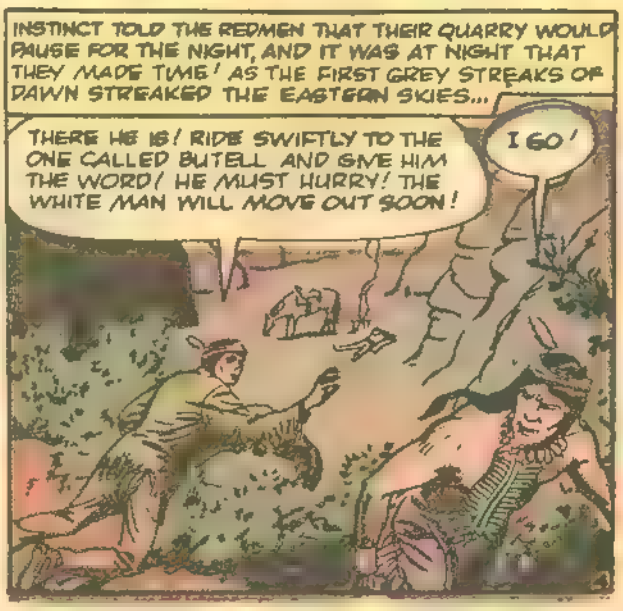
OUTSIDE OF THAT, THEY'RE JUST AN ORDINARY PAIR OF COLTS!

TOO BAD THERE AIN'T NO LAW IN THIS TOWN! WE COULD BEEF HIM COLD AND PICK UP A REWARD BESIDES!
YOU BARRELL-HEADED HOG! IF THERE WAS LAW IN THIS TOWN WE WOULDN'T BE DRIFTING AROUND HERE OURSELVES!

TEN MINUTES LATER...
GET THIS STRAIGHT, INJUN JOE! I WANT YOU TO TRACK THAT OUTLAW DOWN EVEN IF HIS TRAIL LEADS RIGHT INTO THE PACIFIC! WHEN HE HOLDS UP PERMANENT, SEND YORE BROTHER TOM BACK HERE WITH THE WORD!
ME UNDERSTAND!



THE HALF-BREED PICKED UP THE TRAIL AND SOON DISCOVERED HE WAS FOLLOWING A SPECIES OF WHITE MAN WHO'S WOODCRAFT INSTINCTS WERE STRONGER THAN HIS OWN...
THE WHITE MAN LEAVES LESS SIGNS THAN KEROWA THE WOLF! HE TRAVELS MORE LIKE REDMAN THAN PALEFACE!
UGH! IF HE NOT STOP SOON, WE LOSE HIM! HE TAKE HORSE OVER STONES AND THROUGH WATER! HE LEAVE SMALL TRAIL... SOMETIMES NO TRAIL!



INSTINCT TOLD THE REDMEN THAT THEIR QUARRY WOULD PAUSE FOR THE NIGHT, AND IT WAS AT NIGHT THAT THEY MADE TIME! AS THE FIRST GREY STREAKS OF DAWN STREAKED THE EASTERN SKIES...
THERE HE IS! RIDE SWIFTLY TO THE ONE CALLED BUTELL AND GIVE HIM THE WORD! HE MUST HURRY! THE WHITE MAN WILL MOVE OUT SOON!
I GO!

FOR SOME UNKNOWN REASON, THE OUTLAW TARRIED, HELD PERHAPS BY THE GOOD GRAZING FOR HIS HORSE, THE NEARNESS OF GAME AND FRESH WATER...

YOU LIKE IT HERE, EH, STEEL? WAL, SO DO I! NO REASON WHY WE CAN'T SPEND ANOTHER NIGHT AND MOVE TOMORROW!

THREE HOURS LATER.

IS ONE WAY TO GET PALEFACE WITHOUT FIGHT! SEND BUFFALO INTO PASS ONE END, AND CLOSE OTHER END WITH YOUR GUNS!

YEAH! THAT'S USING YORE HEAD, JOE! WE'LL BOTTLE HIM UP TIGHT!

JOE, YOU AND YORE BROTHER TOM RIDE OUT YONDER AN' STAMPEDE THEM BISON INTO THE PASS! WE'LL BE WAITIN' ON THE OTHER SIDE!

WE DO!

EASY, BOY, EASY! WHAT'S BOTHERIN' YOU? SOMETHING'S WRONG, EH? WAL, YOU KNOW BEST, FELLOW! LET'S BE MOSEYIN' ALONG!

THE OUTLAW WHEELS AS HE FEELS THE EARTH TREMBLE WITH A SULLEN ROAR...

WH..??! STAMPEDIN' BISON! WE'VE GOT TO MOVE FAST!

WITH ONE FOOT IN THE STIRRUP, THE OUTLAW FROZE AS HIS EYES TOOK IN THE OPPOSITE SIDE OF THE NARROW PASS...

THE DIRTY, RAM-RODDIN' SWINE! WE'RE TRAPPED HERE LIKE RATS! GO IT ALONE, STEEL' HEAD FOR 'EM! THEY'LL LET YOU PASS, BUT NOT ME! GO IT, BOY!

THIS IS IT! THE NEXT FEW SECONDS GOT MY LIFE WRAPPED IN 'EM! IF I CAN BROUND ONE OF THEM BISONS BEFORE THE HERD HITS ME...

HIS GUNS SUDDENLY ROARED WITH SPLIT SECOND PRECISION, FINDING THEIR MARK ON THE LEAD BUFFALO IN A HAIR-RAISING PLAN OF SURVIVAL.
THE HERD THUNDERED ON AND PAST THE LOOMING OBSTACLE, AND THE STUNNED HUMAN IT HID..
IT WORKED! THERE AIN'T ANYTHING LEFT BUT BROKEN BONES... AND THEM COLT .45'S! I'M GOIN' TO GRAB 'EM RIGHT HOPPIN'!
I D-DON'T LIKE IT! HOW COME THAT BUFFALO FELL RIGHT THERE? IT MAKES A DOWNRIGHT HANDY SHIELD!
WHAM!
IT'S ADDIN' UP NOW! THAT FIGHT BACK THERE IN DUSTY MESA..THEM QUESTIONS WHEN I WALKED OUT.., THESE THREE FACES! WAL, THE GUNS ARE STILL MINE!
FUNNY WHAT AN HOMBRE WILL DO WHEN HE TAKES A FANCY TO ANOTHER MAN'S PROPERTY! ONE THING SURE, STEEL, WE'LL NEVER HOLE UP IN A PASS AGAIN!
THE END
